KABBALAT SHABBAT

Friday August 10th at 7:00 pm

An Uplifting Service of Music and Song

Rabbi Allen will be joined on the bima by world-class violinist Zoriy Zinger for a warm, joyous, and festive Shabbat Service

When Rabbi Allen plays her keyboard along with Mr. Zinger on his violin, they transform the traditional Friday night service into a musical celebration of the Jewish Spirit, creating an atmosphere filled with the emotional and spiritual sounds of our beautiful prayers.

Mr. Zinger was a soloist in the Russian Symphony Orchestra before reaching fame in America. He has performed at Lincoln Center, programs on television, and stage shows with popular musical artists including Ray Charles and Ricky Martin. Rabbi Allen and Mr. Zinger have collaborated in numerous venues, including several wonderful concerts for Congregation Beth Sholom.

Please invite your friends and neighbors to join us for this uniquely spiritual form of the usual Friday night service, beautifully enhanced with musical instruments and song.

Rabbi's Message

A person must see himself and the world as equally balanced on two ends of the scale; by doing one good deed, he tips the scale and brings for himself and the entire world redemption and salvation. -- RAMBAM, LAWS OF REPENTANCE 3:4

I have always loved classic movies, particularly the romantic comedies and dramas of the 1930's and '40's with their often predictable but always satisfying "happy-ever-after" endings. I suspect many of you may share my eternal yearning for this kind of happy ending. But in the complex and often troubled world of reality in which we all live, it's difficult to imagine that we personally could provide a good outcome for ourselves and others, much less for everyone and everything, everywhere!

Maimonides, the 12th Century Spanish Talmud philosopher, physician and rabbinic sage known as Rambam (Rabbi Moshe ben Maimon), in his code of Jewish law, the *Mishneh Torah* ("Repetition of the Torah"), offers a practical pathway to our dream of contributing to the world's happy ending: the *g'mar chatimah tovah*, a "good final sealing" that we wish for each other during the time between Rosh Hashanah and Yom Kippur.

One of the most powerful Jewish spiritual teachings is the concept of the microcosm and macrocosm, in which the human being is seen as a universe in miniature, containing every element of the universe, and the universe is viewed as an enormous organism which was created so that humanity can perfect and complete it by *tikkun olam*. As we refine and elevate the elements of our personal lives, we simultaneously influence and uplift the corresponding area of the universe.

By seeing the individual as a microcosm of the universe, Rambam's vision contemplates that we can do not only much, but everything, to make the world better through improving ourselves by each righteous action.

How can being a part of Congregation Beth Sholom help us in our mission to tip the balance of the world? By belonging to, and especially by participation in, our active congregation, we inspire each other to choose the better actions that can lift up the individuals around us, the community in which we live and work, and ultimately the entire universe whose destiny is entrusted into our care.

At this time of year, as we begin the *cheshbon nefesh*, the accounting of the soul, that prepares us to welcome the High Holiday season to come, may being together bring each of us into the fulfillment of our potential to be the one factor that will tip the scales to give ourselves, and thereby the world, the "happy ending" we are destined to create – with love and blessings, Rabbi Karen Allen 386-676-5157

The President's Message

It's official – my address is now 9175 SW 89th Loop, Ocala FL 34481. We began staying here on May 1st, and the Leesburg house was emptied on May 22nd. We're still unpacking boxes, but for the most part we are moved in.

The first question everyone asks me when they hear that I am the president of Congregation Beth Sholom, located in Leesburg is whether I am going to continue to belong to a synagogue that is a 50 minute drive from my home.

Without hesitation, my answer is easy – absolutely. The next question that follows is why? That is also an easy question to answer, although I cannot convey my reasons in a single sentence.

Where else is there a small, friendly, Hamish congregation whose members treat each other like family? Where else is there a warm, caring Rabbi who has been leading the congregation for 10 years? Where else is there a synagogue where many members drive a long distance to attend services? Where else is there a shul where members and guests are recognized when they walk through the door, no matter how often they come? Where else are people encouraged to 'come when you can and leave when you must' without worrying about disrupting a service? Where else is there a congregation with no closed circles, only open arms? Where else is there a 'Synagogue That Feels Like Family'?

Besides all of those reasons, we have many special activities during the next two months. Our musical Kabbalat Shabbat on August 10th when Rabbi Allen will play her keyboard along with the extraordinary violinist Zoriy Zinger is a fabulous once a year event. The Social Sunday on August 20th provides a chance to meet and mingle with each other. Our S'lichot program on Saturday, September 1st allows us to get ready for the High Holidays and to experience the magic when our Bimah and Torah covers are converted from burgundy to white.

Congregation Beth Sholom is truly special. If you are already a member, I hope that you will invite your friends and neighbors to join you when you come to the shul. If you are a guest, I hope you will consider becoming a member. Our dues year begins on September 1, so this is the perfect time to join.

Being part of this congregation is absolutely worth an hour long drive!

Shalom,

Linda
